

Information sessions – ReconAfrica Project Information

Date: February 2, 2021

ReconAfrica welcomes the opportunity to share ReconAfrica Project information at our two upcoming information sharing sessions on seismic and ongoing operations. As requested by NCE, we thank NCE for sending out this invitation to NCE representatives, NCE members and interested stakeholders. **Fifty persons are allowed to attend each of the two sessions.** Covid-19 Regulations apply. All attendees will register at Hotel Thule and with ReconAfrica. It would be best to send the list of attendees prior to February 2, 2021. **Each session will last 2 hours including: presentation, questions and answers.**

After each session, participants must disperse from the information sharing session room and follow the Hotel Thule COVID 19 rules to ensure that Covid-19 cleaning protocols are implemented, and all the required Government of Namibia COVID 19 regulations are followed. Please ensure all participants wear masks and are of aware of the Government of Namibia COVID 19 regulations.

Details for the information sessions are as followed:

Session1 Date: February 2, 2021

Registration 08h00-09h00
